

RELIGIOUS COALITION
FOR A **NONVIOLENT**
D U R H A M

Who is the Religious Coalition for a Nonviolent Durham?

We are people of faith and goodwill from all across Durham, who believe...

- all are beloved by God, and so we belong to each other.
- every violent death is an immeasurable tragedy that affects all of us.
- those most-affected by violence deserve our community's love & attention.

How can the Coalition help?

We strive to make the families of murder victims' lives more bearable by...

- vigils that bear public witness.
- connecting you with resources during your grief process.
- accompanying you through police and court processes.
- introducing you to others who have walked this path.
